

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

Current Title: Professor
Department(s): Anthropology
Work Address: 4169 Social Science Plaza A SSPA 211
Zot Code: 5100
Phone (work): (949) 824-5893
Fax (work): (949) 824-4717
Email: drwhite@UCI.EDU

EDUCATION

1969 PhD, 1969, Anthropology and Social Theory, with supporting fields in Sociology and Mathematical Psychology, University of Minnesota.
1967 MA, 1967, Anthropology, minor in Sociology, University of Minnesota.
Columbia University 1965-1966 on N.S.F. Travelling Fellowship
C.I.C. Traveling Scholar and N.I.M.H. Fellowship U. Michigan 1964-1965
1964 BA, *Magna Cum Laude and Honors*, 1964, Anthropology, minor in Latin American Studies, University of Minnesota.
Brown University, Engineering-Physics and Comparative Literature 1959-1961

POSTGRADUATE TRAINING

LICENSES OR PERMITS

PREVIOUS APPLICABLE ACADEMIC EMPLOYMENT

UCI:
1979-Present Professor
1976-1979 Associate Professor

Other:
2004 - 2011 External Faculty, Santa Fe Institute of Complexity Sciences (renewable 2011)
07/2008 - 08/2008 Summer School Faculty
2 weeks. July -August. Three three-hour (six 1.5 hour) lectures for the "Advanced Thematic Introductions" of the first French Complex Systems Summer School, Paris, coordinated by the French National Network on Complex Systems (NNCS), organized by the Complex Systems Institute Paris - Ile de France (ICS PIF). The aim of the school is to provide in-depth reference lecture courses to a multi-disciplinary audience of researchers as well as advanced students

07/2008 - 07/2008 Visiting Faculty, Sociology, ETHZ University, Zürich, Switzerland
06/2008 - 07/2008 Visiting Faculty, Systems Design, ETHZ University, Zürich, Switzerland
03/2008 Visiting Faculty, Sociology, Xi'an University, Xi'an, China
02/2007 Visiting Faculty, Sociology, Columbia University
06/2005 Visiting Faculty, Sociology, Central European University (hosted by the Institute for Advanced Studies, Budapest)

04/2005 - 05/2005 Visiting Faculty, Social Science, University of Ljubljana, Slovenia
02/2003 Visiting Faculty, Sociology, University of North Carolina
1999 - 2001 Invited Professor (September 1999/2000/2001), Center for Advanced Studies in the Social Sciences (Directeur des Études, École des Hautes Études en Sciences Sociales), Paris

10/2000 Invited Researcher, National Institute of Demographic Research, Paris, France
1991 Directeur des Études Associé, Maison des Sciences de l'Homme, Paris
1990 - 1991 Visiting Professor, Institut für Völkerkunde, Universität zu Köln
1972 - 1976 Associate Professor, Department of Anthropology, University of Pittsburgh (Joint Member: Sociology)

Review Profile:

Douglas R White

For the period:

October 1, 1950 through September 30, 2009

1974 - 1975 Visiting Associate Professor, University of Texas, Austin, Department of Anthropology
1974 Visiting Associate Professor, I.C.P.S.R. Summer Program in Research Methodology, Summer University of Michigan
1969 - 1972 Assistant Professor, Department of Anthropology, University of Pittsburgh
1970 Faculty Research Associate, Project for Interdisciplinary Machine Processing for Research Summer and Education in the Social Sciences (under President Kemeny), Dartmouth College
1967 - 1969 Instructor, Department of Anthropology, University of Pittsburgh
1968 Staff Anthropologist, Summer Seminar in Quantitative Anthropology, National Science Summer Foundation (Mathematical Social Science Board), Williams College
1965 - 1967 Director, Societal Research Archives System, University of Minnesota

Doctoral Students Supervised

(a) those who received their Ph.D.

2009	Laurent Tambayong, Chair IMBS
2008	Jennifer Chandler, Member GSM. Asst. Professor, University of Hawaii
2007	Nataša Kejžar, Member (University of Ljubljana) Asst. Professor, University of Ljubljana
2005	Camille Roth, Member (Ecole Polytechnique, Paris) Asst. Professor, Ecole des Hautes Etudes en Science Sociales
2005	Thomas Moliterno, Member GSM, Asst. Professor, University of South Carolina
2003	Benjamin Jester, Chair Social Relations. Instructor, Cal State System
2003	Jeff Stern, Member Social Networks. Social Science Computing Services, UCI
2003	Patricia Skyhorse, Co-Chair Social Networks. Instructor, Cal State System
2003	William Fitzgerald, Chair Social Networks. Associate Specialist, UCI
2002	Masaki Tomochi, Chair MBS. Associate Professor: Faculty of Policy Sciences, Chuo University, Tokyo
2001	Silvia Casasola, Member Social Networks. Former Postdoctoral Researcher, IIMAS-UNAM
2001	Tina Quartaroli, Chair Social Relations. Asst. Prof., University of Central Missouri
2000	James Moody, Member (Univ. of North Carolina)

Review Profile:

Douglas R White

For the period:

October 1, 1950 through September 30, 2009

2000 Associate Professor, Sociology, Duke University
Narda Valverde, Chair
Social Networks. Former Associate Research Professor in the Social Sciences (IIMAS), UNAM, Mexico, DF

1999 Henry Stevens, Chair
Social Relations. Instructor, UCI, SDSU (Ethnic Studies, Geography)

1999 Richard Grannis, Co-Chair
Social Networks. Associate Professor, Sociology, UCLA

1999 Ryuhei Tsuji, Chair
MBS. Associate Professor, Department of Psychology, Meiji Gakuin University, Tokyo

1995 Bruce Money, Member
GSM. Professor, Business, University of South Carolina

1995 Lupe Beltran, Co-Chair
Social Relations. Asylum Officer, Supervisor. INS

1995 Paula Trahan, Co-Chair
Social Relations. Fulbright Fellow, El Salvador

1994 Anne Saddington, Member
Social Relations. Associate Professor, Sociology, College of the Desert

1994 Audrey Weiss, Member
Social Relations. Medical Anthropology Researcher

1994 Justeen Hyde, Member
Social Relations. Assistant Professor in the Department of Pediatrics at the University of Southern California (first year advisor)

1994 Myung-Oc Woo, Member
Social Relations. Assistant Professor, University of South Korea

1994 Steven Smith, Member
Social Relations. Assistant Professor, University of Chicago, Circle Campus

1993 Linda Miller, Member
Social Relations. Post-doc., University of Texas

1992 Kathy Fagan, Member
Social Relations. Lecturer, Cal State Fullerton

1992 Mary Reynolds, Member
Social Relations. Lecturer, UCI

1990 Randolph Howell, Chair
Social Relations. Community Organizer, Encinitas

1989 Stephanie Romeo, Member
Comparative Culture. Lecturer, UCI

1988 Candice Bradley, Member
Social Relations. Assoc. Prof., Lawrence college. Retired

1988 Johannes Van Vugt, Member
Social Relations. Associate Professor. Fordham; later St. Mary's

1988 Michael Roskey, Member
Comparative Culture. Secondary school teacher

1988 Vicente Lopez, Member
Social Relations. Prof., CETYS, Baja California

1987 Migali Gil, Member
Social Relations. Prof., Cal. State Dominguez Hills

1987 Ruvín Gekker, Chair
Social Networks. Professor, Department of Economics, NUI, Galway, Ireland

1987 Susan Freeman, Member
Social Networks. Lecturer, UCI. Retired

Review Profile:

Douglas R White

For the period:

October 1, 1950 through September 30, 2009

1986	Paul Kabler, Member Social Relations. International Development Consultant. Saudi Arabia
1986	Richard Sapanaro, Member Comparative Culture. Secondary school teacher
1986	Roberta Anderson, Member Social Relations. Prof., Cal. State
1986	Sandy Maryanski-Turner, Member Social Networks. Assoc. Prof., Associate Academic Dean, UC Riverside
1985	Laurie Alexandre, Member Comparative Culture. Assoc. Prof.
1985	Michael Winkelman, Co-Chair Social Relations. Associate Professor, Arizona State University
1985	Scott Swain, Member Social Relations. Secondary Teacher
1985	Talmadge Wright, Member Social Relations. Assoc. Prof., Loyola University of Chicago
1985	Wendy Lozano, Member Social Relations. Prof., Cal. State (Wendy Griffin)
1984	Karl Reitz, Member Social Networks. Prof. and Dean, Chapman College
1984	Laurel Holloway, Member Social Relations. Former Administration, UCI
1984	Waltraud Kokot, Member Social Relations. Emeritus Prof., Former Anthropology Chair, University of Hamburg
1983	Keiko Nakao, Member Social Relations. Prof., Otema University, Taiwan
1982	Lee Sailer, Member Social Networks. Prof., Penn. State
1982	Linda Garro, Member Social Relations. Prof., Manitoba
1982	Malcolm Dow, Co-Chair Social Relations. Emeritus Prof., Northwestern
1982	Ralph Payne, Member Social Relations. Prof., Virginia Polytechnic

(b) those who advanced to candidacy

(c) pre-dissertation committees

(d) other doctoral research supervision

Ryota Egashira, Doctoral Committee
ICS
Steve Abrams, Doctoral Committee
ICS, Informatics
Steve Doubleday, Advisor, Doctoral Committee
MBS
Yong Ming, Doctoral Committee
ICS, Informatics

Master's Thesis Students Supervised

2004 - 2005 Supervisor
 Nine Master's Students from the University of Modena and Reggio, taught at Reggio, Dec 2004 and at UC Irvine, two weeks, 2005

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

2003 Birgit Paukzstat, Advisor
Anthro. PhD Candidate, Social Networks, Grönigen
1995 - 1996 Supervisor
Eight UCI undergraduates and Twelve Visiting Students from the
University of Cologne: Costa Mesa Social Network Research Training
Project

Postdoctoral Scholars Supervised

1997 - 2000 Eric Widmer, Supervisor
Professor, University of Geneva
1995 - 1996 James Lee, Supervisor
Professor, University of Wisconsin

Undergraduate Student Research Supervision

2003 - 2004 Steven DeWaters, Supervisor, Undergraduate Honors Thesis
1995 - 1996 Undergraduate Research Supervision
Eight UCI undergraduates: Costa Mesa Social Network Research Training
Project
1989 - 1990 Claudia Caro, Undergraduate Research Supervision
1989 - 1990 David Diaz, Undergraduate Research Supervision
1988 - 1989 Tina Quartaroli, Supervisor, Undergraduate Honors Thesis

Other Research Supervision

2006 - 2007 Andrea Roventini, Directed Individual/Independent Study
(University of Modena and Reggio, thesis Mentor)
2005 - 2007 Carl Nordlund, Member, Directed Individual/Independent Study
Human Ecology Division, University of Lund, External Committee Member
2004 - 2005 David Marcus, Directed Individual/Independent Study
University of Kent, Anthropology (External Examiner)
2004 - 2005 Steve Racunas, Directed Individual/Independent Study
Penn State University (Santa Fe Institute Mentor)
2003 - 2004 Klaus Auer, Member, Directed Individual/Independent Study
University of Cologne, Andean Program Researcher

Software

White, D. R. (2008). Kin-Sim: An R program for controlled simulation of Pajek kinship networks by random permutation of marriages with partitions (generations or contemporaries)

White, D. R. (2008). Net2Vec: A Fortran program for converting Pajek kinship networks to Pgraph vector format

White, D. R. (2008). Par-Calc: A Fortran program for vector calculation identifying blood marriages and their frequencies by type in kinship networks in Pgraph vector formats

White, D. R. (2008). Par-Frag: A Fortran program for generating blood and affinal marriage fragment graphs for frequency analysis with Pajek kinship networks

White, D. R. (2008). Par-Side: A Fortran program for calculating the statistical significance of balanced sidedness cycles in signed graph kinship or other networks

White, D. R., Kejžar, N. (2006). R_DegreeDistribution.R: An R program for computing q-exponential parameters of degree distributions rather than inappropriate power laws

White, D. R. (2004). SIMCYC: Fortran Program for Simulating Biased Network Growth by Cycle Formation: with Attachment, Distance Decay and Traversal Biases (<http://eclectic.ss.uci.edu/agents/SIMCYC.FOR>).

White, D. R. (2001). EGO2CPL: A Fortran Program for Converting Genealogical Data into Standard GedCom, Pajek and Pgraph Files for Genealogical Network Analysis

White, D. R. (2001). SIMPATH: A Fortran Program for Simulating Collective Pathfinding (<http://eclectic.ss.uci.edu/agents/SIMU.FOR>).

M.E.C.C.A.: Maximum Extensibility for Cross-Cultural Analysis (Interactive computer system installed at Dartmouth, containing ten widely used cross-cultural studies, and available through TELENET to other campuses. Also available in part at University of California, Irvine. The system has been widely used by undergraduates, graduates and faculty, and has resulted in numerous cross-cultural publications by users).

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

White, D. R. (1967). Societal Research Archives System. Computer archive of 50 coded Cross-cultural studies, indexed by variable and topic, society, time period, language family, and sampling procedures (Developed at and distributed by University of Minnesota).

Special Issues

White, D. R. (2002). Editor. Special Issue on Networks and Complexity. *Complexity*, 8(1) (<http://www3.interscience.wiley.com/cgi-bin/jissue/102525814>).

PROFESSIONAL RECOGNITION AND ACTIVITY

Memberships

Complex Systems Society, (2005 - Present).
 Society for Anthropological Sciences (SASci), (2002 - Present), Founding Member.
 Alexander von Humboldt Association of America, (1995 - Present), Lifetime Member.
 American Sociological Association, (1980 - Present), Member.
 Int'l Network for Social Network Analysis, (1977 - Present), Charter Member.
 American Anthropological Association, (1969 - Present), Fellow.
 American Statistical Association, (2006 - 2008).
 European Association of Social Anthropologists, (2006 - 2008).
 Cognitive Sciences Society, (1979 - 2004), Charter Member.
 Social Science Computing Association, (1991 - 1996), (President Elect/President 1991-93).
 French Mathematical Society, (1991 - 1995), Member.
 Society for Applied Anthropology, (1977 - 1988), Fellow.
 American Mathematical Association, (1981 - 1985), Member.
 Society for Psychological Anthropology, (1978 - 1985), Charter Member.
 Society for General Systems Research, (1970 - 1978), Member.
 The Classification Society, No. American Branch, (1970 - 1977), Charter Member.
 Society for Cross-Cultural Research, (1971 - 1975), Charter Member.

Honors and Awards

2000 - Present	International Who's Who.
1995 - Present	Who's Who in America.
2008 - 2009	Science Chair, Scientific Council, Reseau national des systemes complexes (RNSC), Paris.
2007	Powell, White et al (2006). Viviana Zelizer Distinguished Scholarship Award of the American Sociological Association, for the outstanding article published in the field of economic sociology in the previous two years, 2005-2006.
2007	Reichardt and White (2007). Selected as a "Highlights" paper of Europhysics News 39(1):11.
2004	Moody, White et al (2003). Outstanding Article Publication Award for 2003, Mathematical Sociology Section of the American Sociological Association.
2004	One of 3 (Nominating Committee) Candidates for Presidency, Society for Anthropological Sciences.
2002	Information Technology and International Cooperation Summer Institute 2002 faculty invitee (declined to: Saskia Sassen), hosted by the SSRC program on Information Technology, International Cooperation and Global Security (ITIC) and Columbia University's Center for Organizational Innovation Leading scholars and practitioners brainstormed about directions for future social research on IT as it bears on communities and boundaries; design and the politics of access and openness; property, personhood and information; the securing of social spaces; and socio-economic development.
1995 - 1996	Visiting Fellow, Leibnitz Program, University of Cologne.

Review Profile:

Douglas R White

For the period:

October 1, 1950 through September 30, 2009

1992 Awardee, Bourse de Haute Niveau, Ministère de la Recherche et de la Technologie, Paris.
1989 - 1991 Alexander von Humboldt Distinguished Senior U.S. Scientist Research Award (2 years).
1981 - 1984 Fellow, Center for Advanced Studies, Western Behavioral Science Institute, La Jolla.
1965 - 1966 Visiting Fellow, Anthropology and Mathematical Sociology, Columbia University.
1964 - 1965 C.I.C. Traveling Scholar, Anthropology and Mathematical Psychology, University of Michigan.
1963 - 1964 National Science Foundation Cooperative Fellowship.
1963 - 1964 Predoctoral Fellow, National Institute of Mental Health.
1963 SPAN Fellowship for Research in Brazil.
1958 - 1959 American Field Service, School Year Scholarship, Madrid.

Invited presentations at educational, governmental institutions (or similar organizations)

4/30/2009 - 5/2/2009 "Cohesive groups and social dynamics", Conference on "Group as Individual in Social Dynamics", Center for Social Dynamics and Complexity, Arizona State University. Invited speaker.
12/5/2008 Arthur S. Iberall Distinguished Lecture, Series on Life and the Sciences of Complexity, "Social physics: Networks and causal chains", Center for the Ecological Study of Perception and Action (CESPA), University of Connecticut.
12/4/2008 CESPA Tutorial: Using R, Pajek, and Spss for Simulation, Estimation, Visualization, and Model Testing, University of Connecticut.
6/24/2008 Invited Tutorial "Organizational, social, and complex generative networks." International Workshop and Conference on Network Science (NetSci 08), Norwich BioSciences Conference Centre, Norwich Research Park, Norwich, UK, (<http://www.nrp.org.uk>). Invitation from Jozsef Baranyi.
6/12/2008 "Advanced methods for fitting competing models of degree distributions from networks and city size distributions", Seminar on Advanced Statistics, Sociology Dept, U Geneva. Invited speaker.
5/27/2008 "Complex Social-Circles and Feedback Networks", Colloquium on "Selected Challenges in the Social Sciences: Modeling and Simulation Approaches", Department of Sociology, U. Zurich. Invited speaker.
8/2007 Lectures and Tutorials, French Complex Systems Summer School, Paris,
Lecture 1 Complex Dynamics of Distributional Change - Systems of Cities
Lecture 2 Small-World Dynamics on a Continental Scale - Demographic Systems and Mating
Lecture 3 Evolution of Collaboration and Innovation in the World Biotechnology Network
Lecture 4 Pricing, Monopsodies, and Hierarchical Structures of Large Industrial Systems
Lecture 5 MLE, the Feedback Network (Social Circles) Generative Model
Lecture 6 Retrofitting Empirical Network Findings to Generative Models.
Lecture 7 Generalized Block and Bloc Modeling the World Economy 1965-1980.
3/26/2007 "Dynamics of City System Rise and Fall: Mid-Asia, China, and Europe over 25 periods in the last millennium of globalization", Columbia University, Sociology Department Conference on Economic Networks. Invited Speaker.
5/15/2006 "A relational law of city networks, network biconnectivity, trade, and the q-dynamics of historical city size distributions", SFI Science Board, Santa Fe Institute, Invited Speaker, with Tambayong, L.

Review Profile:

Douglas R White

For the period:

October 1, 1950 through September 30, 2009

- 5/12/2006 - 5/13/2006 "Network Dynamics of City Sizes, Trade Networks, and Conflict", Annual Science Board Symposium, Santa Fe Institute, Invited Speaker, with Tambayong, L.
- 6/28/2005 "Civilizations as Dynamic Networks", Institute of Ethnology, University of Cologne. Invited speaker.
- 6/27/2005 "Transforming Ethnographic Data and Analytical Problems into Network Data Suitable for Complementary Analysis and Theory", Halle Max Planck Institute for Social Anthropology, Halle, Germany. Invited speaker.
- 6/20/2005 "Theory and Analysis of Kinship Networks", Anthropology Department, University of Hamburg. Invited speaker.
- 6/2/2005 "Civilizations as Dynamic Networks", Anthropology and Sociology, Central European University. Invited speaker.
- 5/27/2005 "Anthropology and Structural Cohesion: Theory and Four Ethnographic Examples", Anthropological Science, seminar, University of Ljubljana. Invited speaker.
- 5/24/2005 "Network Dynamics of Inter-Organization Collaborations in Biotechnology, 1988-1999", jointly sponsored, Faculty of Economics and School of Social Science, University of Ljubljana, Invited speaker, with Powell, W. W., Owen-Smith, J.
- 5/5/2005 "The Influence of Pajek on Scientific Research and Education", Press conference, University of Ljubljana. Invited speaker.
- 8/2004 "Civilizations as Complex Networks", International Working Group Collaboration on Network Analysis, Santa Fe Institute, Invited workshop speaker.
- 6/28/2004 - 6/30/2004 "Réseaux de Parenté (Genealogical Analysis in History and Ethnography)", Séminaire Pajek – Sorbonne, Centre Roland Mousnier, Paris, Université de Sorbonne, Paris, Invited workshop 3-day presentation.
- 6/7/2004 - 6/11/2004 "Modeling the Dynamics of Network Formation and Evolution", Workshop on Dynamics of Groups and Institutions: Their emergence, co-evolution and environment, Santa Fe Institute and the Research Centre of the Slovenian Academy of Sciences, Invited Workshop. Presenter.
- 2/2004 "Quantitative Network Analysis", Time-mapping Globalization in the World-System, UC Riverside, Invited lecture, with Hanneman, B.
- 12/2003 "Networks, cohesion and scaling", Conference on the Information Society as a Complex System, Château de Champs-sur-Marne, Invited lecture.
- 11/2003 "Kinship Networks and Demography", Stanford, Anthropological Sciences, Invited lecture.
- 10/2000 "Social Structure and Demography", Max Planck Institute, Rostok, Invited lecture.
- 9/2000 "Structural Demography", INED (National Institute of Demographic Research), Paris, France, Invited lecture.
- 7/2000 "Networks and Ethnography", University of Cologne Conference on Networks, Ethnography and Social Theory, Keynote Address.
- 4/2000 "Combining thermodynamic laws with multi-agent models: Velocity of trade phase transitions in economic organizations", UCLA Complex Adaptive Systems working group, Invited lecture.
- 2/1999 "Decentralized Systems and The Invisible State: Low Density Multiconnected Cohesion in Large-Scale Social Networks in Tlaxcala, Mexico", Conference on Decentralization, Institute for Mathematical Behavioral Sciences and Department of Economics, Invited lecture, with Schnegg, M., Brudner, L.

Invited Presentations at Professional Meetings

- 9/16/2009 6th European Social Simulation Association conference, Surrey, UK, Turned down the invitation to be a keynote speaker. "The ESSA conferences are the

Review Profile:

Douglas R White

For the period:

October 1, 1950 through September 30, 2009

oldest and best established social simulation conference series. You would be of particular interest to our attendees due to your mix of interests from social network analysis and ethnography. Social simulation is at a tipping point and I hope that your talk could play a small part in nudging the field towards some useful modeling and away from simplistic/toy models" - Organizer.

10/24/2008 - 10/25/2008 "Kinship Computing and Complexity: Cohesion, Class and Community", Quai Branly anthropology museum, Paris, "New approaches to computing and kinship" Keynote live videoconference presentation. (Tutorial: Using R, Pajek, and Spss for Simulation, Estimation, Visualization, and Model Testing).

11/30/2007 "Revisiting Questions of Identity and Difference in Ethnography and Surveys: What Good are Models?", Session: Computational Models in Anthropology: What Are They Good For? Why Should You Care? 106th AAA Annual Meeting, Washington, DC. Invited Speaker.

8/7/2006 "Depth Partitions and Hierarchical Network Structure in a Tokyo Industrial District", JSM (the Joint Statistical Meetings), Seattle, Washington, Network Session chaired by Cosma Shalizi. Invited Lecture, with Nakano, T.

5/20/2006 - 5/24/2006 "Innovation, Networks and Dynamics", Final ISCOM meeting, Venice, Invited lecture.

4/6/2006 - 4/8/2006 "Causality of Network Configurations in Historical Dynamics: Some Hypotheses and Evidence", Globalization as Evolutionary Process Modeling, Simulation, and Forecasting Global Change, sponsored by the Calouste Gulbenkian Foundation, International Institute for Applied Systems Analysis (IIASA), Laxenburg, Austria. Invited Speaker.

3/23/2006 "Rethinking World Historical Systems from Network Theory Perspectives: Medieval Historical Dynamics 1175-1500", International Studies Association San Diego 47th Annual ISA Convention, Town & Country Resort and Convention Center. Invited Speaker.

2005 ISCOM (Information Society as a Complex System (ISCOM) Third Annual Meeting, Santa Fe Institute. Invited discussant.

11/14/2005 - 11/18/2005 "Civilizations as Dynamic Networks: Multi-net analysis and nonlinear dynamics", European Conference on Complex Systems, Paris, Keynote Address.

4/4/2005 Network Group, "Network Dynamics and Scaling," Information Society as a Complex System (ISCOM) Third Annual Meeting, Reggio-Modena, Italy, Keynote Address.

2/2005 "World-System Network Dynamics in the Early Renaissance", Redondo Beach 23rd Annual International Social Network (INSNA) meeting, World-Systems Session. Invited speaker.

2/2005 "Conceptual Ethnography", Santa Fe meeting, Santa Fe Society for Anthropological Sciences (SASci). Invited speaker.

10/2004 "The uses and practices of genealogy in the human, social and biological sciences", Genealogy and Social Cohesion Meetings invitation from 17th Entretiens du Centre Jacques Cartier, Montreal, Keynote Address.

6/2004 "Social Networks of the Internet", Complexity Science Institute of Paris, Invited lecture. (Clémence Magnien).

4/2004 - 5/2004 "Civilizations as Dynamic Networks", Santa Fe Institute Workshop on Modeling Macrosocial System Dynamics. Invited Workshop Presenter/Macrosocial systems.

6/2003 "Social cohesion in organizations", Séminaire "Réseaux et régulation", IRESCO, Paris, Invited lecture.

5/2003 "Networks from Genealogies and Linked Censuses: Why do they matter?", Population Association of America. Minneapolis, Invited lecture, with Moody, J.

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

- 11/2002 "Sided with Omaha but no Twist: Three Logics of Alyawarra Kinship", Society for Anthropological Sciences, New Orleans, Invited lecture, with Denham, W. W.
- 9/2001 "Network Dynamics and Organizations: Social Structure and Process in the Field of Biotechnology", Swiss Sociological Association. Geneva, Switzerland, Keynote Address.

Other Presentations at Professional Meetings

- 6/18/2009 - 6/19/2009 "Large scale historical dynamics", Budapest Conference on "The Unexpected Link Using Network Science to tackle social problems", Central European University, George Soros and his Quantum Funds executives expressed great interest in this conference, and would join your panel, Invited speaker, with White, H. C., Saura, S., Luczkovich, J., Bodini, A., Christensen, V., Uzzi, B., Contractor, N., Stark, D., Johnson, J., Zeev, M., Kogut, B., Gadagkar, R., Diani, M.
- 3/15/2009 - 3/19/2009 "Kinship network analysis", XXIX Sunbelt INSNA conference, San Diego.
9/12/2008 "Testing causal effects of structural k-cohesion", Behavior Group Talk, Santa Fe Institute.
- 6/30/2008 - 7/3/2008 "Power-Law and 'Elite Club' in a Complex Supplier-Buyer Network: Flexible Specialization or Dual Economy?", Academy of International Business annual meetings, Milan, Italy, Competitive session - Tom Nakano and Douglas R. White.
- 6/23/2008 - 6/27/2008 "Beyond modularity: density generalized block modeling", Network Science (NetSci '08), Norwich, UK, with Reichardt, J. Refereed.
- 8/7/2007 "The 'Visible Hand' in Production-Chain Markets: Empirical Study of Harrison White's Network Model", Interactive Paper session titled "Supply Chain Design II." Academy of Management Annual Meeting, Philadelphia, Production Chains - Tom Nakano and Douglas R. White.
- 4/20/2007 "Rethinking Social Complexity and Resilience: Human Survival and Complex Network Dynamics at Continental Scales", 4 Campus UC Videoconference on Human Social Complexity, with Tambayong, L.
- 3/15/2007 "The Social Circles (Feedback) Generative Network Model and Its MLE", UCI Network Research Group Meeting, UC Irvine, Discussion paper.
- 2/21/2007 - 2/24/2007 "The Indigenous Australian Marriage Paradox: Small-World Dynamics on a Continental Scale", SASci Session on Formalization as a Tool for Empirical Research. What it Buys us and What it Doesn't. SASci Meeting, San Antonio, TX, Organized by David Kronenfeld. Main Theme: Four-Field Anthropology and Science, with Denham, W. W.
- 2/21/2007 - 2/24/2007 "Eurasian city system dynamics in the last millennium", Society for Cross-Cultural Research. SCCR Symposium: Historical Dynamics in Cross-Cultural Perspective, San Antonio, TX.
- 2/21/2007 - 2/24/2007 Workshop/Tutorial in public domain instructional and research materials for Cross-Cultural Research. SASci Meeting, Main Theme: Four-Field Anthropology and Science, San Antonio, TX.
- 1/22/2007 - 1/23/2007 "Urban and ecosystem dynamics: past, present, future", Workshop on aspects of Social and Socio-Environmental Dynamics, School of Human Evolution and Social Change, Arizona State University.
- 8/11/2006 - 8/14/2006 "Power-Law and 'Elite Club' in a Complex Supplier-Buyer Network: Flexible Specialization or Dual Economy?", American Sociological Association's 101st Annual Meeting. Session on "Networks and Organizations", Montreal, Social Networks Session, organized by Martin Ruef.
- 8/11/2006 - 8/14/2006 "The Large-Scale Strategic Network of a Tokyo Industrial District: Small-World, Scale-Free, or Depth Hierarchy", American Sociological Association's 101st

Review Profile:

Douglas R White

For the period:

October 1, 1950 through September 30, 2009

- Annual Meeting. Session on "Networks and Organizations", Montreal, Complex Systems Session organized by John Padgett.
- 6/22/2006 "The Five Alternations Between Global Economy and Regional Economies in Eurasia in the Last Millennium: Definitive Evidence of Macro Civilizational Dynamics", VidCon S06#6 Human Science and Complexity (Video Recorded), (IMBS, UCI), with Tambayong, L.
- 3/23/2006 "Causality of Network Configurations in Historical Dynamics: Some Hypotheses and Evidence", San Diego 47th Annual ISA Convention, International Studies Association.
- 9/30/2005 "Civilizations as Dynamic Networks" / "Networks, Hierarchy and Complexity, Historical Modeling and Simulation: What do Network Interdependencies have to do with Civilizational Dynamics?" Founding Lecture, Four-Campus UC Human Sciences and Complexity VideoColloquium.
- 8/23/2005 "Civilizations as Complex Networks", International SFI Collaboration on Network Analysis Working Group Conference.
- 2/2005 "Macromodels - Civilizations as Dynamic Networks", Santa Fe Society for Anthropological Sciences (SASci), Santa Fe meeting.
- 1/2004 "Network Processes in Evolving Systems. Opening research focus group discussion", MBS program in Social Dynamics and Evolution, UCI.
- 12/2003 "Network Dynamics, Cohesion and Scaling", Second ISCOM (Information Society as a Complex System) Workshop, Paris.
- 8/2003 "Network Dynamics and Field Evolution: The Growth of Interorganizational Collaboration in the Life Sciences", Annual Meeting. Session: Social Networks as Resources, American Sociological Association, with Powell, W. W., Koput, K. W., Owen-Smith, J. D. (Presenter)
- 8/21/2003 - 8/30/2003 "Santa Fe Institute", "Predictive Cohesion Theory" and "Ring Cohesion as Network Theory." First ISCOM (Information Society as a Complex System) Workshop.
- 3/2003 "The Navigability of Strong Ties: Small Worlds, Complex Dynamics and Network Topologies", Second Lake Arrowhead Conference on Human Complex Systems, Lake Arrowhead, with Houseman, M.
- 2/12/2003 - 2/16/2003 "The navigability of strong ties: Small worlds, complex dynamics and network topologies", The Dynamics of Personal Networks. Sunbelt 23rd Annual International Social Network (INSNA) Conference, Cancún, (paper read by Alain Degenne), with Houseman, M.
- 5/2002 "The Marriage Core Network of the Elite of Colonial Guatemala", Lilnet Micro-Macro Conference, University of Lille, with Valverde, N. A., Vargas, S. C.
- 4/2002 "Network Analysis and Social Dynamics", Conference session on Mathematical Modeling and Anthropology: Its Rationale, Past Successes and Future Directions. 16th European Meeting on Cybernetics and Systems Research, University of Vienna.
- 11/2001 "Taking Sides: From Coherent Practice to Macro Organization", Session on Cultural Idea Systems: Logical Structures and The Logic of Instantiation, American Anthropological Association, Washington, DC, with Houseman, M.
- 9/2001 "From Tarascan Empire to Craft Production: Longitudinal Network Research on Tzintzuntzan Mexico", Conference session on Sociology of the Family, University of Geneva.
- 9/2001 "Networks and Complexity", NSF Workshop, Dept of Physics, University of Geneva.
- 5/2001 "Network Dynamics and Emergent Organization: The Biotech Industry", Instituto de Investigaciones en Matemáticas Aplicadas y en Sistemas. UNAM-México DF.
- 1/2001 "Network Dynamics and Emergent Organization", UCLA Computational Models Conference.

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

12/2000 "Network Dynamics and Emergent Structure", Conference on Conceptualizing Human Environmental Dynamics: Towards a Unified Evolutional Modeling Framework, Santa Fe Institute.
2000 "Preliminary Analyses of Florentine Marriages, 1300-1500", University of Cologne Conference on "Networks, Ethnography and Social Theory", with Padgett, J.
10/2000 "Social Structure and Demography", NSF Workshop, Max Planck Institute, Rostok, Germany.
9/2000 "Workshop on Structural Demography", NSF Workshop, INED (National Institute of Demographic Research), Paris, France.
8/2000 "Connectivity, Cohesion, and Dynamics in Social Networks", Santa Fe Institute workshop presentation on Complex Interactive Networks, ([http://discuss.santafe.edu/dynamics/stories/storyReader\\$21](http://discuss.santafe.edu/dynamics/stories/storyReader$21)).
7/2000 "Cooperative Results of a Long-term Ethnographer and a Social Analyst: Social Dynamics of a Nomadic Clan in Southeastern Turkey", University of Cologne Conference on "Networks, Ethnography and Social Theory", with Johansen, U.
7/2000 "On the Structure of Social Networks Workshop I: Graph Theory", University of Cologne Conference on "Networks, Ethnography and Social Theory", sponsored by NSF, with Harary, F., Brudner, L.
7/2000 "On the Structure of Social Networks Workshop II: Applications of Graph Theory in Ethnographic Studies", University of Cologne Conference on "Networks, Ethnography and Social Theory", sponsored by NSF, with Brudner, L., Harary, F.

Review of Johansen and White 2005

Diversity Activities Related to Creative Activities (see APM 210)

PROFESSIONAL SERVICE

Service to Professional Societies (committees, session chair, conference organizer, etc.)

Scientific Committee of the French Réseau national des systèmes complexes (RNSC), Science Chair. (2008 - Present).

Working Group on Civilizations as Dynamic Networks, Santa Fe Institute, Organizer. (2005 - Present).

WORLD CULTURES databases (Atlas of Cultural Evolution, Ethnographic Atlas, KinDemo150), Development and hosting. (2003 - Present).

Center for Computational Social Science, UCLA, Board of Directors. (2000 - Present).

Center for Governance, UCLA, Board of Advisors. (2000 - Present).

SDHDA (Social, Demographic and Historical Database Archives) on Hunter-Gatherers, Pastoralists, Agriculturalists, and Complex Societies, Development and hosting. (2000 - Present).

Linkages, International Research Network for the Longitudinal Study of Community Development, Chair. (1990 - Present).

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

LINKAGES (Longitudinal Field Study Databases network), Board Chairman, development and hosting. (1988 - Present).

SCCS (Standard Cross Cultural Sample) research, Development and hosting. (1985 - Present).

European Complexity Science Society, Council Member. (2005 - 2009).

Steering Committee, European Complexity Science Conferences, Member. (2005 - 2009).

Fifth International Conference "Hierarchy and Power in the History of Civilizations", Panel chair and Discussant, Moscow, Russia. (June 23, 2009 - June 26, 2009).

Paper "K-cohesion and emergent causality in kinship and social networks," 29th Sunbelt INSNA conference, Co-chair of session on Kinship Network Analysis, San Diego. (March 15, 2009 - March 19, 2009).

French Réseau national des systèmes complexes RNSC (NSF international workshops in new advances in network methodology), Science Chair (Scientific Committee). (2008).

ANR (French NSF) Projet TIME - Traitement Informatique des Matériaux Ethnographies et Historique - Informatic Treatment of Kinship Phenomena in Anthropology and History, Member, Paris. (2005 - 2008).

Programme Committee, European Complexity Science Conference, 2006 (ECCS'06: Networks), Said Business School, University of Oxford, 25-29 September. Also Networks Sections Reviewer. (2005 - 2007).

Social and Historical Dynamics. Co-Hosted by the Said Business School, Oxford, and the James Martin Institute for science and civilization. European Conference on Complex Systems 2006 (ECCS '06), Invited Satellite Workshop Organizer. (2006).

Analyzing Complex Macrosocial Systems: Civilizations as Dynamic Networks, Co-Initiator. (2003 - 2004).

Social Scaling. Santa Fe Institute, Workshop Participant. (2003 - 2004).

Social Scaling: Information Society as a Complex System. (2003 - 2004).

Working Group on Analyzing Complex Macrosocial Systems. Santa Fe Institute, Co-Organizer. (2003 - 2004).

CNRS Projet TIME jeunes chercheurs - Traitement Informatique des Matériaux Ethnographies, Member, Paris. (2002 - 2004).

Co-Responsable scientifique - Liens, réseaux, configurations - aide informatique, filière Histoire sociale et démographie, Laboratoire de Démographie Historique, École des Hautes Études en Sciences Sociales, Paris. (September 2004).

International SFI Collaboration on Network Analysis using Pajek, Santa Fe Institute, Organizer. (August 2004).

Social Scaling. Santa Fe Institute, Working Group Participant. (2003).

Steering Committee, Interest Group for Anthropological Sciences, Member. (2002 - 2003).

Co-Responsable scientifique - Liens, réseaux, configurations - aide informatique, filière Histoire sociale et démographie, Laboratoire de Démographie Historique, École des Hautes Études en Sciences Sociales (September 2003, September 2002, September 2001, September 2000, September 1999), Paris. (1999 - 2003).

Conceptualizing Human Environmental Dynamics: Towards a Unified Evolutionary Modeling Framework. Santa Fe Institute, Working Group Participant. (2000 - 2002).

Co-evolution of States and Markets (Renaissance Florence and Biotech Industry), Working Group Participant. (1999 - 2002).

Applied Systems Science (IIMAS) at UNAM (Mexico), (NSF international workshops in new advances in network methodology). (2001).

Network Dynamics. Santa Fe Institute, Workshop Participant. (2000 - 2001).

Institut National des Études Démographiques (NSF international workshops in new advances in network methodology), France. (2000).

Institute of Ethnology at Cologne (NSF international workshops in new advances in network methodology). (2000).

Max Planck Institute of Demography at Rostok (NSF international workshops in new advances in network methodology). (2000).

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

Annual Meeting of the Social Science Computing Association USCD/SDDSC, Local Arrangements Organizer. (1995).
Longitudinal Network Analysis. Social Science History Association, Panel Organizer. (1995).
Social Sciences Computing Association, President. (1992 - 1993).
Bourse de Haute Niveau, Ministère de la Recherche et de la Technologie. Laboratoire d'Analyse Secondaire et des Méthodes Appliquées à la Sociologie, Paris. (1992).
Galois Lattices and Social Networks. 12th Annual Sunbelt Social Networks Conference, Organizer (with Lin Freeman), San Diego. (1992).
Social Sciences Computing Association, President Elect. (1991 - 1992).
Monthly Faculty Seminar on Hierarchical Physics and the Social Sciences, with systems physicist Arthur Iberall. UCLA, Participant & Convener. (1990 - 1992).
Working groups in Discrete Structure Analysis and Social Sciences. Maison des Sciences de l'Homme, Co-Chair, Paris. (1991).
Maison des Sciences de l'Homme, Directeur d'Études. (1990 - 1991).
Linkages: World Development Research Council, President. (1986 - 1990).
Monthly Faculty Seminar on Hierarchical Physics and the Social Sciences, with systems physicist Arthur Iberall. UCLA, Participant & Convener. (1984 - 1989).
Conference on Cultural and Ecological Applications of Remote Sensing. Sponsored by NSF, Participant, Boulder, CO. (1987).
Planning Conference for a Social Science Scholar's Workstation, Sponsored by the Wenner-Gren Foundation, Organizer & Convener. (1987).
Development Research Planning Group, Sponsored by the Wenner-Gren Foundation, Organizer & Convener. (1986).
Linkages Planning Conference, Sponsored by the Wenner-Gren Foundation, Organizer & Convener. (1986).
Institute for World Understanding of Peoples, Cultures, Languages, Board of Directors, La Jolla, California. (1983 - 1985).
Third Annual Sunbelt International Social Networks (INSNA) Conference, Convener and Program Chair, San Diego. (1983).
Irvine Conference on Research Methods in Social Network Analysis, Organizer (with Lin Freeman). (1980).
Steering Committee, Center for Computer Assisted Textual Analysis (CCATA). UC San Diego and UC Irvine, Member. (1978 - 1980).
Human Relations Area Files, Computer Assisted Ethnographic Text-Analysis - Theory and Method of Comparative Ethnographic Text Interpretation, Project Planner and Consultant. (1979).
Electronic Information Exchange System, two-year computer teleconference on Social Network Research (funded by the National Science Foundation), National Evaluator and Participant. (1977 - 1979).
HRAF Planning Conference on Computerization and Teleconferencing of the Cross-Cultural Research Community, Organizer. (1976).
State of the Art in American Social and Cultural Anthropology, Conference organized by E. Adamson Hoebel, Invited Participant (Declined), Spring Hill. (1976).
Symposium on Ethnographic Models in Mesoamerican Research. American Anthropological Association, Chair and Organizer. (1976).
Advanced Research Symposium on Social Networks, Mathematical Social Science Board, Invited Participant. (1975).
Conference on Social Networks, Mathematical Social Science Board, Participant. (1974).
Project on Language Attitudes and Decision-Making, Ministry of Finance, Republic of Ireland, Deputy Director and Methodologist. (1971 - 1973).
Advisory Panel on Anthropology, Behavioral Sciences National Science Foundation. (1970 - 1972).
Committee on Information, Division of Social Sciences, National Academy of Sciences, Member. (1968 - 1972).
Conference on Natural Decision-Making, sponsored by the Mathematical Social Science Board, held in Palo Alto, Co-chairman with William Geoghegan. (1971).

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

Linguistics Institute of America, Summer Seminar on Sociolinguistics, SUNY at Buffalo, Post-Doctoral Participant. (1971).
Conference on the Anthropological Study of Urban Environments, School of American Research, Co-Chairman with T. Weaver, Santa Fe. (1969).
Symposium on Urban Anthropology, American Anthropological Association, Co-Chairman with T. Weaver, Seattle, Washington. (1969).
HRAF Planning Conference, Participant. (1968).
Planning Committee Conference for the Mathematical Social Science Board Anthropology Program, Participant. (1968).

Journal Editor / Membership on Journal Editorial Boards

eScholarship Supervisory Editor (responsible for overview of published content), World Cultures eScholarship eJournal (also Founding Editor), including legacy issues, Editor. (2005 - Present).
Structure and Dynamics, Publication begun September 2005. Volume 1-3 (UC eScholarship Repository Journals and Peer-Reviewed Series), Editor in Chief. (2004 - Present).
Cultural Anthropology: The Field Study of Human Beings, Editorial Review Board Member. (2000 - Present).
University of Michigan series in Linking Levels of Analysis, Editorial Review Board Member. (1993 - Present).
Anthropology, Social Science Computer Review, Associate Editor. (1991 - Present).
Editorial Board (Founding Editor), World Cultures, Editorial Review Board Member. (1991 - Present).
Guest Editor, Networks and Complexity Special Issue, journal Complexity, Editor. (2001 - 2002).
Journal of Social Structure, Editorial Review Board Member. (1998 - 2000).
Journal of Behavioral Economics, Editorial Review Board Member. (1988 - 1993).
World Cultures series, Duke University Press, Editor. (1988 - 1991).
Founder and General Editor, World Cultures Electronic Journal, Editor. (1984 - 1990).
Social Networks, Elsevier Sequoia Press, Editorial Review Board Member. (1977 - 1982).
Computers and the Humanities. North-Holland Publishing Company, Editorial Review Board Member. (1979 - 1981).
Ethnology, Associate Editor. (1967 - 1976).

Standing Member of Review Boards for Funding Agencies

Ad hoc Service as Reviewer of Manuscripts and Referee of Proposals

American Anthropologist, American Antiquity, American Journal of Sociology, American Sociological Review, Behavioral and Brain Sciences, Current Anthropology, Human Organization, Journal of Social and Biological Structures, Physical Review E, PNAS, Science, Social Forces, Social Networks, Social Science Computer Review, and World Cultures, Journal Article Reviewer. (1968 - Present).
Grant Proposals for: NSF, NEH, NIMH, Social Science Research Council Wenner-Gren, Reviewer. (1968 - Present).
Anthropology Review Panel, National Science Foundation, Reviewer. (1968 - 1970).

Consulting Activities

BWB, Del Mar, CA, Consultant. (2001 - 2003).
Western Behavioral Sciences Institute, La Jolla, CA, Consultant. (1981 - 1982).
Systemix Division, Xerox Learning Systems, Irvine, CA, Consultant. (1980 - 1982).

Diversity Activities Related to Professional Service (see APM 210)

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

OTHER SERVICE

University Service/Systemwide - Academic Senate, Administrative Service; Senate Assembly; MRU, UCOP

UCLA Center for Computational Social Science, Board of Directors. (2000 - Present).
UCLA Center on Governance, Advisory Board. (2000 - Present).
Inter-campus Academic Initiatives Group in Comparative History and Social Theory, UC Davis. (1995 - 1997).
Education Abroad Review Committees for France, China, Member. (1994 - 1995).
Alternate Representative, University of California (Systemwide) Special Committee on Academic Computing, Member. (1981 - 1983).

University Service/Campus - Academic Senate and Administrative Service:

Human Subjects Institutional Review Board, Committee "C". (2001 - 2002).
EAP, Anthropology, Liaison Officer. (2000 - 2001).
Ad Hoc Committee for promotion to Professor VI, UCI, Member. (1997 - 1998).
Director of UCEOP, Special Advisor. (1994 - 1995).
Education Abroad Committee, Faculty Senate. (1992 - 1995).
Advisory Committee, University of California (Systemwide) Appropriate Technology Program, Member. (1981 - 1983).
Senate Committee on Computer Policy, Member. (1980 - 1983).
Executive Committee of the Academic Senate, Irvine Division, Member. (1980 - 1981).
Academic Senate Committee on Courses. (1978 - 1980).
Senate Committee on Academic Review. (1978 - 1979).

University Service/School

Social Dynamics and Complexity Group, IMBS PhD Program, Chair. (2005 - Present).
Institute for Mathematical Behavioral Sciences. UC Irvine. (1994 - Present).
Social Dynamics and Complexity focus research group, within the PhD Program in Mathematical Behavior Sciences, Chair. (2006).
Social Dynamics and Evolution focus research group, within the PhD Program in Mathematical Behavior Sciences, Chair. (2004 - 2006).
Social Dynamics and Evolution Group, IMBS PhD Program, Chair. (2004 - 2005).
Ph.D. Program in Social Networks, UC Irvine, Graduate Director. (1998 - 2003).
Social Networks PhD Program, University of California, Irvine, Graduate Director. (1995 - 2003).
Graduate Committee, Social Relations Ph.D. Program. (1998 - 2000).
Ph.D. Program in Social Networks, UCI, Graduate Director. (1995 - 1996).
Committee on International Education, UCI, Chair. (1994 - 1996).
Social Relations Graduate Program Committee, Member. (1989 - 1990).
Social Networks Colloquium Committee, Chair. (1982 - 1983).
Computer Committee, School of Social Sciences, Member. (1979 - 1982).
Academic Senate Committee on Courses, Chair. (1980 - 1981).
Focused Research Program in Social Network Analysis, UC Irvine, Director. (1979 - 1980).
Dean Search Committee, School of Social Sciences, Member. (1978 - 1979).
Executive Committee, School of Social Sciences, Member. (1976 - 1978).

University Service/Department

Anthropology, Undergraduate International Exchange Advisor. (1999 - 2000).
Graduate Committee, Anthropology Ph.D., Member. (1999 - 2000).
Undergraduate Anthropology Club, Advisor. (1999 - 2000).
Department Film Committee, Anthropology Department, Member. (1991 - 1992).
Undergraduate Curriculum Committee, Anthropology Department, Member. (1991 - 1992).
Computer Committee, Anthropology Department, Chair. (1989 - 1992).

Review Profile: **Douglas R White**
For the period: **October 1, 1950 through September 30, 2009**

Graduate Program in Social Networks, University of California, Irvine. Approved as an Academic Degree, 1984, Chair. (1982 - 1983).
Social Networks Group, Chair. (1981 - 1982).
Social Networks Group, University of California, Irvine, Chair. (1979 - 1980).
Executive Committee, Program in Comparative Culture, Member. (1976 - 1979).

Community Service

Linkages: Long-Term Development Research Council, Chair. (1990 - Present).
Social Science Computing Association, President Elect and President. (1991 - 1993).
Linkages: Long-Term Development Research Council, President. (1986 - 1990).
